NOT-FOR-PROFIT HEALTH SYSTEM

Advocate Sherman Hospital is an acute community hospital in Elgin that has provided high-quality care to Chicago's northwest suburbs since 1888. The hospital features a Level II Trauma Center; it sees more than 60,000 emergency room visits, delivers over 1,700 babies and performs more than 10,000 surgeries annually. Supported by four immediate care centers and 12 Advocate Medical Group sites, Advocate Sherman provides more than 325,000 outpatient visits per year.

NATIONALLY RECOGNIZED FOR EXCELLENCE

Best Hospital for
Maternity Care

CLINICAL EXPERTISE AND SPECIALTIES

Heart Care

Leading-edge diagnostics and minimally invasive procedures are available for complex conditions, including those needing valve replacement.

Gastrointestinal Care

Offers the latest in the detection and treatment of GI issues including minimally invasive procedures and direct access screening colonoscopies.

Stroke Care

The Brain & Spine Institute is a Certified Primary Stroke Center for its readiness to handle stroke-related medical problems.

Care for chronic conditions

Offers hyperbaric oxygen therapy to help heal wounds and supports patients with conditions such as diabetes, heart failure, anticoagulation and vascular disease.

Cancer Care

Our Commission on Cancer accredited Comprehensive Community Cancer Program offers a full range of diagnostic and treatment services.

Women's Health

Nationally recognized for low c-section rates, low newborn complications, high breastfeeding rates and the option for vaginal birth after c-section.

CARING FOR OUR COMMUNITIES

Mobile integrated health program

follows up with patients in their homes to reduce unnecessary emergency and inpatient visits.

Food pantry and fresh produce partnership

helps address food insecurity for patients and the community through 52-bed community garden.

High school student medical residency program

offers hands-on learning opportunities. This program is in partnership with several local high schools.
